

VOLUNTEER COACHES

Without volunteer coaches we would not be able to offer our community successful, quality, youth sports programs. The majority of our coaches are moms and dads with a similar philosophy as the Y: sportsmanship and fun are the primary goals; winning and losing are secondary. The responsibilities of a coach are promoting the Y philosophy to players, making sure all children get equal playing time, attending coaches meetings and using yourself as a model of sportsmanship and fair play.

Our insurance company has mandated that we do background checks on all of our volunteers who work with children. By registering below you will be authorizing the Y to do a reference check and criminal background check.
